Dear Project Coordinator,

It is my pleasure to inform you that your project **2015-1-PT01-KA201-013059 - Managing for @ School of Success** has been selected as a "success story" by a panel of experts from the Directorate-General for Education, Youth, Sport and Culture of the European Commission.

"Success stories" are finalised projects that have distinguished themselves by their impact, contribution to policy-making, innovative results and/or creative approach, and can be a source of inspiration for others. The selection of your project as a success story was made on the basis of rigorous criteria regarding its quality, relevance and results.

The project will also be marked as "success story" in the [Erasmus+ Project Results Platform](#), a database where you can find descriptions and results of projects founded under the Creative Europe Programme.

As a consequence of this selection, visibility and acknowledgement will be given to your project, for instance on our websites, social media, and when preparing documentation for conferences or other events.

We would kindly ask you to add results to your project card on the Erasmus+ Project Results Platform in the specific section dedicated to them, thus please send them to us at EAC-PROJECTSPLATFORM-HELPDESK@ec.europa.eu and we will upload them for you.

Please note that you may also be contacted by our external contractor in charge of dissemination and exploitation of results for additional material related to your project.

I would like to congratulate and thank you and your project partners for your commitment, enthusiasm and high-quality work.

Yours sincerely,

Luca Perego
